If the meeting furniture in the room constrains the style of your meeting, you have a problem. To put the accent on connecting people and ideas, find inspiration in a meeting-table system with multiple table-layout options.

## FEATURES

- Contemporary flip-table system with an array of options
- Range of finishes and shapes for ultimate style and flexibility
- Relatively easy assembly (to save time on fit-out projects)
- When not in use, fold the tabletop to the side of the frame
- The 'flip' mechanism is smooth and easy to use
- Then wheel the table away for easy storage
- Range of table-shapes, w integrated table-connectors
- Added table option with integrated power-box
- Wide range of standard options for speedy delivery
- Designed in New Zealand
